

How much money does the library have in the bank?

How does it compare with prior years?

How much money is available for contingency spending?

The library depends on these funds to pay for equipment, improvements, major repairs, etc.

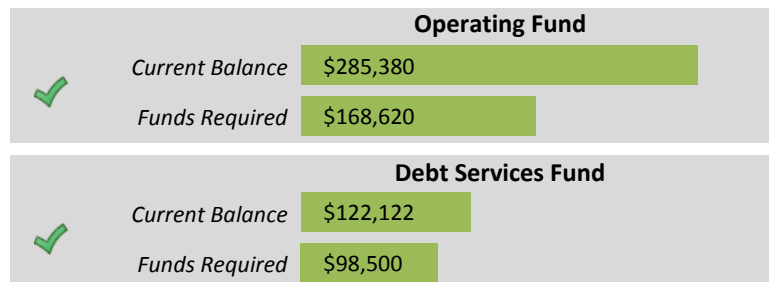

These funds are very difficult to replenish. New monies are from Operating Fund transfers and interest.

Which funds are available for contingency spending?

Are there adequate monies in the Operating and Debt Services Funds until the next property tax distribution?

Typically occurs in June and December

Is spending within the DLGF approved appropriations?

Operating Fund Projections

How do actual Operating Fund receipts and spending compare to projections?

Materials Spending

What materials are being purchased?

The Indiana State Library (ISL) requires a minimum of 7.5% of Operating Funds to be spent annually for materials available to patrons.
